Adjacency Matrix Image

Pattern of the Movie Recommendation Adjacency Matrix

Movieindex (q) vs Movie index (p)
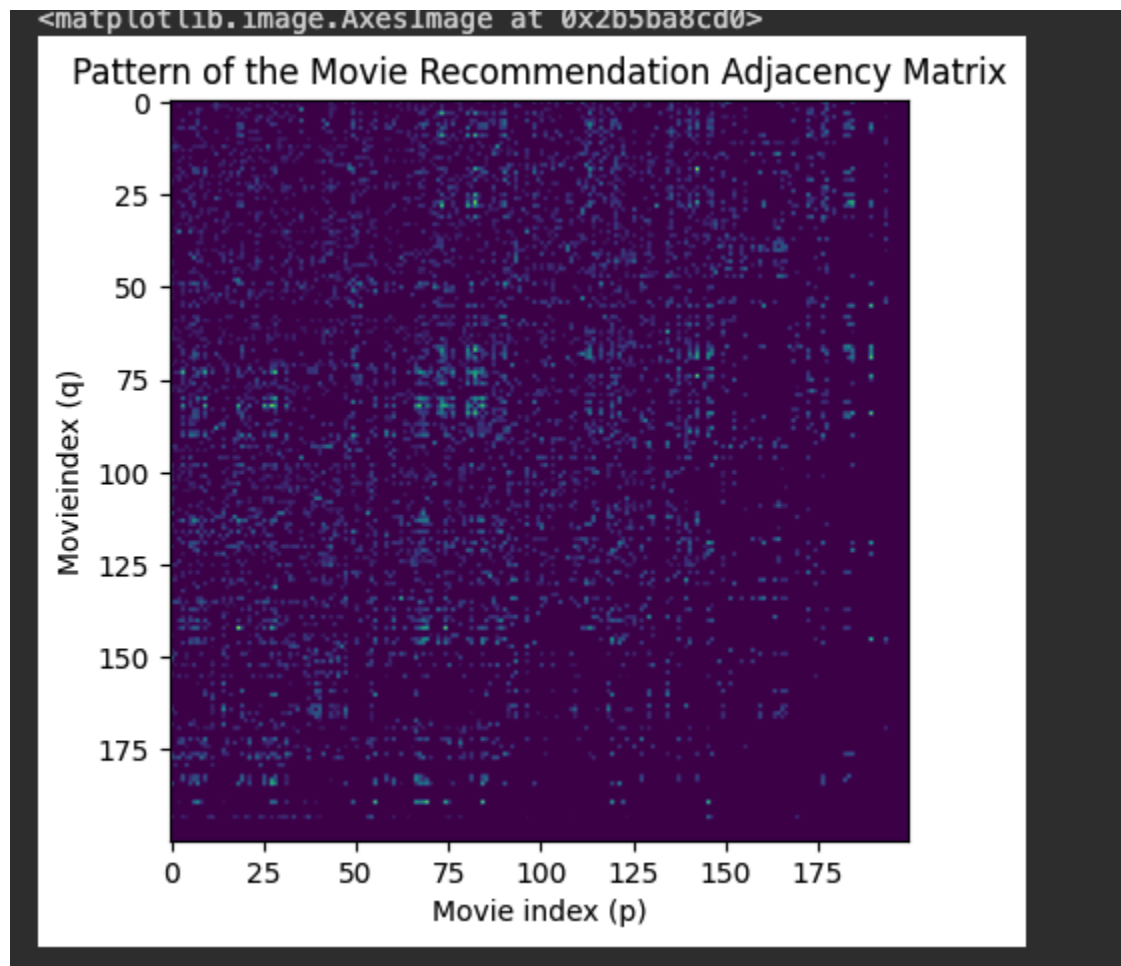

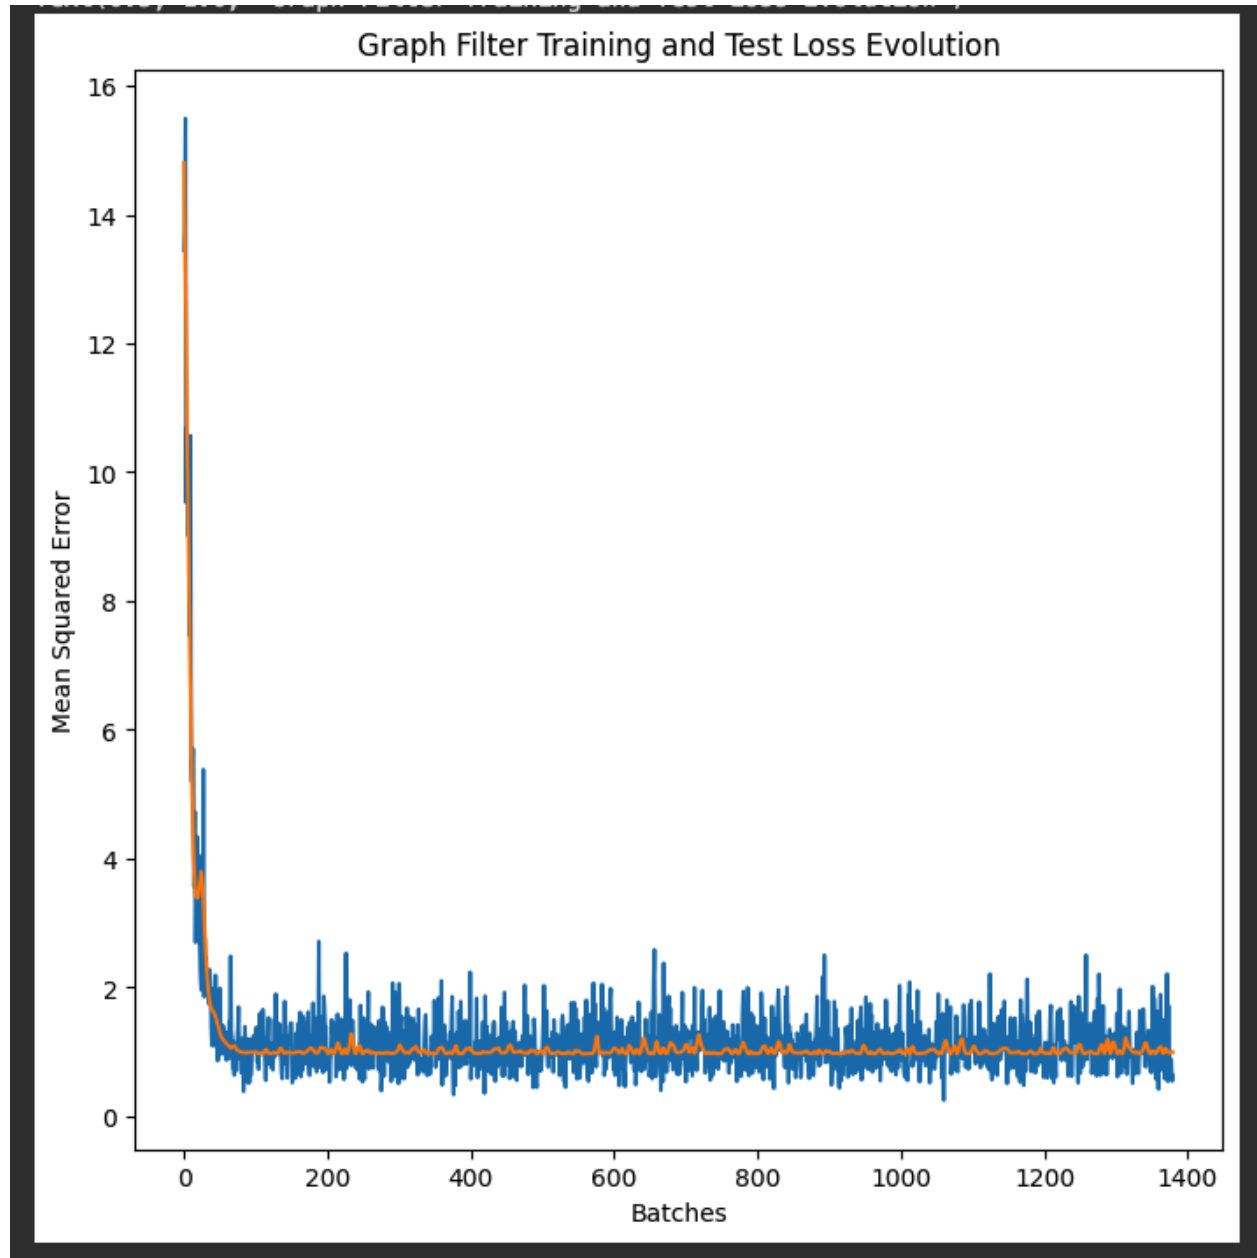

Number of filter taps used

10 filter taps were used

```
[163] k = 10
      f = 64
      model = GraphFilter(k, f)
```

Plot with training loss and test loss

Graph Filter Training and Test Loss Evolution

Train loss and test loss at stopping time

```
Final Training Loss: 0.63
Final Test Loss: 1.00
```
